Agreement:

This MOU outlines the agreement between Clínicas de Salud del Pueblo (Clínicas) and the California-Mexico Health Initiative (CMHI) regarding the workspace for the CMHI Imperial County Regional Coordinator – Mr. Francisco Manuel Hernandez-. Clínicas agrees to provide in-kind office space to the Imperial County Regional Coordinator for the period of one year upon which date this MOU will be up for renewal/revision. It is understood that CMHI pays the salary and benefits of the Regional Coordinator, and that he is covered by the University of California worker's compensation plan. This agreement includes the following provisions by Clínicas:

- Workstation, computer and computer support
- Internet access
- Email address (unless UCOP email works, TBD)
- Telephone line
- Access to fax machine
- Access to printer and paper
- Access to meeting/conference room
- Clínicas de Salud del Pueblo also agrees to be the fiscal agency to receive and administrate funds for Binational Health Week (BHW). Clínicas will charge \$1,500 overhead.

This MOU is executed in the interest of developing a stronger partnership between CMHI and Clínicas, and to stimulate increased community outreach to the migrant and immigrant population in Imperial County. The Imperial County Coordinator is not an employee of Clínicas de Salud del Pueblo, Inc.
