Consulate of Mexico hosts Binational Health Fair in San Bernardino

By Staff Report

Sunday, October 6, 2013

SAN BERNARDINO >> Hundreds attended the Consulate of Mexico's 13th annual free Binational Health Fair on Sunday.

The public health departments of San Bernardino and Riverside counties, Loma Linda University, and city and community health organizations were part of the event in the consulate's parking lot.

More than 50 organizations participated in the health fair. Free health screenings and medical consultations were available.

The health fair was held in conjunction with Binational Health Week, an effort to improve the health and well-being of the Latino

population in the United States and Canada.

For more information about Binational Health Week, contact the office of the Mexican Consulate at 909-889-9838.
