

**SUMMER INSTITUTE ON MIGRATION AND HEALTH  
PUEBLA, MEXICO  
August 21-25, 2006**

The California-Mexico Health Initiative, a program of the California Policy Research Center, University of California Office of the President and the Benemérita Universidad Autónoma de Puebla (BUAP) are pleased to invite you to attend the Summer Institute on Migration and Health.

**WHEN:**

August 21-25, 2006

**WHERE:**

School of Medicine, Benemérita Universidad Autónoma de Puebla  
Auditorio Principal  
Calle 13 Sur #2702 - Colonia Volcanes (between Avenidas 25 Poniente and 31 Poniente, one block from the Hospital Universitario)  
Ciudad de Puebla, México  
Phone: 52 (222) 229-5500 Ext 6301/ 6302 / 6303

**OBJECTIVE:**

The five-day course will provide participants with multidisciplinary instruction using theoretical, methodological and practical tools. The Institute will offer participants a better understanding of the complex relationship between migration and health. The ultimate goal of this program is to identify appropriate and effective strategies to address health issues derived from migration between Mexico and the United States.

**PARTICIPANTS:**

The program will be offered to health professionals, faculty and graduate students from the United States and Mexico who are interested in migration and its health implications.

**REGISTRATION FEE:**

\$250.00. This price includes admittance to all sessions, materials, one-day field trip, lunches, and breaks.

**LANGUAGE:**

Because of the binational nature of the course, some presentations will be in English and some in Spanish. Interpretation services will be provided.
